All present employees who are or become members of the Union shall remain members of the Union in good standing as a condition of continued employment. All employees hired after the date of this Agreement shall become and remain members of the Union as a condition of employment. The Company will inform new employees of the requirements of this section.

6. **Rights of the Publisher**

(a) Where it does not contravene the provisions of this collective agreement, the Union acknowledges that the Publisher's function is to manage the enterprise in which they are engaged as efficiently as possible. Maintenance of order, discipline and efficiency of the staff, the direction of the working forces, the right to plan, direct and control operations, the right to make reasonable rules and regulations and to require observation of them by employees is the Publisher's prerogative. The determination of competency, the product or products, the schedule of production and methods, processes and means of production are entirely within the sphere of the Publisher. Any enumeration of the Publisher's rights shall not be deemed to exclude other normal functions of the Publisher and the Publisher therefore retains all rights not otherwise specifically set forth in this agreement.

(b) In administering this agreement, the Company shall act reasonably, fairly, in good faith, and in a manner consistent with the Agreement as a whole.

7. **No Discrimination**

(a) The Company and the Union agree to abide by the Harassment Policy re-issued by the Publisher on July 1, 2021 and its updates.

(b) Limited only by the exceptions set out in the Manitoba Human Rights Code, the Company and the Union agree that there shall be no discrimination because of race, nationality, religion, colour, sex, age, marital status, physical handicap, ethnic or national origin, political beliefs or family status or sexual orientation.

(c) In the event any employee or the Union initiates an action under the Manitoba Human Rights Code, the Company shall be relieved of any obligation to process a grievance on that matter under this Section.

(d) Employees are free to participate in Union activities in accordance with the *Labour Relations Act*.

8. **Information**

(a) The Company shall supply the Union with the following information for each new employee hired prior to the end of their probationary period.

- (i) Name, address, phone number (including cell), and personal email address
- (ii) Date of hire
- (iii) Job classification
- (iv) Anniversary date

(b) The Company shall notify the Union in writing monthly of resignations, retirements, deaths, promotions and other revisions in the data listed in (a) above, and the effective dates.

(c) The Company shall provide, on an annual basis, a seniority list by bargaining unit including all members' classifications.

9. **Struck Work**

(a) The Company agrees that no employee covered by this Collective Agreement will be asked to execute work transferred from any Company whose employees are engaged in a legal strike authorized by Unifor.

(b) It is further understood that, in accordance with Manitoba Labour Law, while the Collective Agreement is in force, no strike or lockout will take place.

10. **Job Posting**

(a) When a vacancy occurs or a new position is created, and in all temporary vacancies of at least forty-five (45) days the Company shall post a notice of the position on each department bulletin board and on the cafeteria bulletin board of openings for a minimum of five (5) working days before the position is permanently filled. Such posted notice shall contain the wage rate and such other information, which may be of assistance to employees considering applying for the position. Current employees may apply in writing and shall receive first consideration for all openings, and their applications will be reviewed. Employees with the necessary qualifications who are not selected for the position may request an explanation of the Company's decisions and suggestions, if any, about how to improve his or her chances for future consideration.

(b) For new jobs, the positions will be posted, applicants interviewed as appropriate and denials delivered prior to the position being advertised externally.

(c) For existing jobs, vacancies will be posted internally and externally concurrently but interviews as appropriate will be held with internal candidates prior to any external candidates being considered.

11. **Probationary Period**

(a) New employees shall be considered probationary employees for their first ninety (90) days of employment and their progress will be reviewed on a regular basis. Termination of employment during or at the end of their probationary period shall be considered just cause and, subject to the Human Rights Act of Manitoba, shall not be subject to the grievance and arbitration provisions of this Agreement.

(b) Upon the successful completion of the probationary period an employee's length of continuous service shall be calculated from the date of original hiring.

- (c) Present employees will receive first consideration for vacancies in higher classifications.
- (d) An employee promoted to a higher classification shall be considered probationary for the first sixty (60) days worked. The Company may at any time during this period return him/her to his/her former classification without loss of seniority.
- (e) An employee so promoted shall receive the minimum wage in the classification, next higher to his/her wage in the classification from which he/she was advanced.
- (f) Wage rates for newly created classifications shall be consistent with negotiated rates in comparable classifications.
- (g) Employees shall have the right to refuse promotions.

12. **Sub-contracting**

Sub-contractors or sub-contracting shall not be used when such use would result in the dismissal of an employee covered by this Agreement.

13. **Job Security**

(a) The Company guarantees that each full-time employee, excluding apprentices, on staff as at October 1, 1987, shall be guaranteed full-time employment (i.e. five (5) shifts per week on a continuing basis throughout any calendar year) for the remainder of his/her natural working life. However, should any employee's employment be terminated by: (a) retirement, retirement being mandatory at age 65; (b) voluntary resignation; (c) promotion out of the bargaining unit; (d) voluntary transfer out of the bargaining unit; (e) just cause discharge (subject to grievance and arbitration procedures of this Agreement) then he/she need not be replaced except at the Company's option.

It is further agreed that should any employee subject to this article be at any time transferred or reassigned to any other classification, job or function that he/she shall continue to receive wages at least equal to the wage level he/she received before the reassignment or transfer, together with any subsequent increases to that wage level, as provided in this or subsequent agreements.

(b) The application of the above job guarantee does not preclude a bona fide layoff on the basis of seniority due to economic downturn. It is understood and agreed that normal seasonal downturns shall not constitute an economic downturn. Employees covered by the provisions of this section, when absent from work due to a layoff, shall not be deemed to have terminated their employment and therefore the guarantee of employment shall once again be applicable on recall. During any layoff under this provision, the laid-off employee may prepay the entire premium for those benefit plans in effect at the time, where the carrier will permit it, for the first six months of any layoff. During any layoff period, an employee's pension coverage shall not be affected, provided no contributions shall be made by the Company or employee during the period of the layoff.

(c) The Company agrees that no fulltime employee of the Winnipeg Free Press on staff October 1, 1987, excluding apprentices, shall lose his/her employment as a result of the introduction of any new equipment, machinery or process relating to technological change. The Company further agrees that no such employee shall suffer a reduction of income. The Company agrees to give notice to the Union as soon as possible of any new equipment or machinery being introduced.

(d) It is understood and agreed that the Company has the right to discuss buy-outs with employees in any classification of work. Employees have the right to union representation at such discussions. The Union shall be informed of all such discussions and offers.

(e) It is understood and agreed that Articles 13(a), (b) and (c) are not applicable to employees in the Canstar Community News Department.

14. **Layoff and Recall**

(a) When it becomes necessary to reduce the force it shall be determined by the Company in what classification within the unit the reduction is required. The employee with the lowest seniority standing within that classification shall be laid off first.

(b) In the event of a layoff, employees within the affected classification shall, on the basis of seniority, have the option of taking voluntary layoff with full eligibility for severance pay, providing those remaining are capable of performing the work required.

(c) Should there be an increase in the force, the persons laid off shall, if available, be reinstated in reverse order in which they were laid off, provided such recall occurs within eighteen (18) months of the layoff, except for employees covered by the provisions of Section 13, whose recall rights shall not end. Such recall notice shall be by registered letter to the last known address of the person filed with the Company. A copy of all recall notices will be sent to the Union. The person recalled must, on receipt of the recall notice, notify the Company of his/her intention to return to work and must return to work within ten (10) working days of the mailing of the recall or make alternative arrangements satisfactory to the Company. An employee who refused recall to an equal or higher position than the position he/she was laid off from will lose all seniority rights.

(d) Seniority will cease when recall rights have been expired.

(e) Job postings in a department shall be mailed out to the last known address/email address of a laid-off employee from that department up until the recall rights expire.

15. **Severance Pay**

(a) Subject to (b) and (c), all full-time and permanent part-time employees who are laid off as a result of an economic downturn, technological change, consolidation, merger or suspension of publication shall receive two (2) weeks' pay for each year of continuous service or major fraction thereof, to a maximum of twenty (20) weeks' pay.

(b) Severance pay shall be paid on a bi-weekly basis in the same manner as wages. An employee who is recalled prior to the conclusion of his/her severance period shall receive no further severance payments after the date of recall.

(c) In calculating years of continuous service for the purpose of determining severance pay entitlement, any period of service in respect of which the employee was previously granted severance pay and any period during which the employee was on layoff shall be excluded.

16. **Health and Safety Committee and Technology**

(a) In accordance with the provision of the Manitoba Workplace Safety and Health Act, a Safety and Health Committee will be established and maintained to monitor, control and enforce safe and healthy

working conditions in all operations of the newspaper, including all mechanical and electronic devices and video display terminals.

(b) No employee will be required to perform work on a computer monitor terminal for more than three (3) hours without a minimum of ten minutes work change or break.

(c) Worker health and safety representatives and health and safety committee members shall be entitled to a minimum of two (2) days of paid leave, per year, for the purposes of completing health and safety education and training programs, authorized by the committee.

(d) A minimum of six (6) health and safety committee meetings shall be held annually in accordance with the provisions of The Workplace Health and Safety Act (Manitoba) unless the Workplace Health and Safety Committee decides to have less than six (6) but not less than four (4) meetings annually.

(e) The Company co-chairperson and the worker co-chairperson of the Health and Safety Committee will conduct a joint inspection of the workplace and of work processes and procedures at the workplace at least one (1) week prior to each Health and Safety Committee meeting or at such other times as they may mutually agree.

17. **Suspension and Dismissals**

The Company may terminate or suspend only for just cause. A suspension or dismissal shall be in writing and shall contain the reasons for the suspension or dismissal and shall be given to the employee concerned and the Union.

18. **Grievance Procedure**

(a) Any employee grievance must be submitted to the chapel chairperson within fifteen (15) working days of it first coming to the attention of the affected party.

(b) A grievance must first be brought to the attention of the Union chapel chairperson who will attempt to resolve the dispute with the department head within forty-eight (48) hours.

(c) If the grievance cannot be resolved within the specified time it shall be submitted to the Joint Standing Committee.

(d) A standing committee of two representatives of the Company, and a like committee of two representing the Union, shall be appointed; the committee representing the Union shall be selected by the Union, and in the case of vacancy, absence or refusal of either of such representatives to act, another shall be appointed in his/her place.

(e) This committee shall meet within five (5) days to deal with all disputes which may arise as to the wages herein provided, the construction to be placed upon any clause of the Agreement, or alleged violations thereof, which cannot be settled otherwise, and such joint committee shall meet, at a time mutually satisfactory to the parties, when any questions of difference shall have been referred to it for decision by the executive officers of either party to this Agreement and if a majority decision is reached by the joint standing committee it shall be binding upon both parties.

(f) Should the joint committee be unable to agree, then either party may refer the matter to arbitration within fifteen (15) days. The parties agree to the use of a sole arbitrator. The following persons will be called upon, on a rotation basis commencing with the first person on the list, who shall then serve at the first arbitration. Thereafter for each successive arbitration the person on the list immediately following the

last person to have served as arbitrator shall then be called upon to serve. In the event the person requested to serve as arbitrator is unavailable, the next person on the list will be requested to serve. The arbitrator's decision shall be final and binding on both parties. However, in no event shall the arbitrator have the power to alter or amend this agreement in any respect. Wherever a stipulated time is mentioned in this section, the said time may be extended by mutual consent of the parties or their representatives. The cost of the arbitrator shall be borne equally by the parties.

(g) There will be a list of five (5) arbitrators as follows:

- | | |
|-------------------|-------------------|
| 1) Diane Jones | 2) David Marr |
| 3) Robert Simpson | 4) Michael Werier |
| 5) Gavin Wood | |

19. **Dues Checkoff**

(a) The Company shall deduct monthly from the wages of each employee in the bargaining unit covered by this agreement an amount equal to the monthly Union membership dues, initiation fees or assessments, levied in accordance with the Union's constitution and bylaws and shall forward the sums so deducted, together with a list of the names, addresses and classifications of employees from whose wages the deductions have been made, to the Union on the 28th day of each and every month.

(b) The Union agrees to inform the Company in writing of the amount of dues, levies or assessments to be deducted from time to time and undertakes to give the Company at least one month's notice in advance of the day of any change in the amount of dues, levies or assessments to be deducted.

20. **Union Representatives**

(a) Although non-employees are not permitted in the non-public areas of the building without the Company's authorization, in the case of recognized union representatives these authorizations will not be unreasonably withheld.

(b) The Company recognizes the chapel chairperson to be the Union's representative in each department covered by this Agreement.

(c) A chapel chairperson shall, following consultation with the department head, be permitted to leave his/her regular duties for a reasonable length of time for the purpose of investigating and adjusting grievances when it does not interfere with production.

(d) An employee shall have the right to be accompanied by a union representative in any disciplinary meeting with management.

(e) An employee shall be accompanied by a union representative in any disciplinary meeting with management which involves a letter of warning, suspension or dismissal.

(f) A chapel chairperson does not have the power or authority to make any contract or incur any liability binding on the Local without the express written consent of the Local president, Local Representative or the Local Executive Board.

21. **Expression of Dissatisfaction**

Re: Collective Agreement: July 1, 2021 to June 30, 2023

Re: Long Term Disability

In order to fulfill the intent of the parties with respect to Article 36 of the Collective Agreement effective July 1, 2013 to June 30, 2018 (the “Collective Agreement”), and to resolve all concerns surrounding the transfer of Long Term Disability Plan premium payments to eligible Union members and the transfer of an increased portion of Extended Health Plan and Dental Insurance Plan premium payments to the Company, the parties agree that the following terms are effective immediately and are in force for the duration of the Collective Agreement:

1. Employees who participate in the Extended Health Plan and/or the Dental Insurance Plan and work in departments which are eligible for long term disability (“LTD”) coverage will be included in a new separate plan referred to as the “Non Taxable LTD Plan” and those employees will be referred to as “Non Taxable LTD Employees”.
2. The Company will transfer premiums it formerly paid for LTD coverage for Non Taxable LTD Employees to the Extended Health Plan and the Dental Insurance Plan.
3. The Unions and Company agree that the desired effect of the transfers is to give Non Taxable LTD Employees non-taxable LTD coverage. While the transfers were done as fairly and equitably as possible, the Unions understand that a small minority of employees will incur slightly higher premium costs than what they paid prior to the premium transfers.
4. The premium transfers from the creation of the Non Taxable LTD Plan will create a cost-sharing of the combined Family and Single Extended Health Plan and Dental Insurance Plan premiums of seventy percent (70%) to the Company and thirty percent (30 %) to the employees.
5. The parties agree that the new reduced employee portion of premiums payable by single employees participating in the Non Taxable LTD Plan for Dental Insurance Plan and/or Extended Health Plan coverage is currently zero, but that going forward the Company will pass on to such employees any increased costs to the single premium rate in an equitable manner.
6. The Company commits to paying seventy percent (70%) of the total combined single and family premiums for Dental Insurance Plan and Extended Health Plan coverage on an ongoing basis for Non Taxable LTD Employees. The Union commits Non Taxable LTD Employees to paying one hundred percent (100%) of LTD premiums in the future.
7. The Company will continue to pay premiums for taxable LTD coverage to employees who work in departments which are eligible for LTD coverage and not enrolled in the Dental Insurance Plan or the Extended Health Plan.

8. For those Outside Display Sales Representatives included in the Non Taxable LTD Plan who are paid in accordance with a Commission Plan set out in the Collective Agreement and whose annual income is less than \$80,000.00, LTD benefits will be based on their average annual income for the two (2) preceding calendar years.

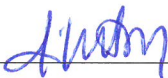

9. For those Outside Display Sales Representatives included in the Non Taxable LTD Plan who are paid in accordance with a Commission Plan set out in the Collective Agreement and whose annual income is \$80,000.00 or more, LTD benefits will be based on an annual income of \$80,000.00.

10. Article 36 of the Collective Agreement remains in full force and effect for the duration of the Collective Agreement.

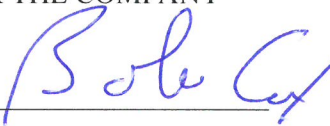

11. The parties may alter or amend these terms at any time by mutual consent in writing during the term of the Collective Agreement.

Inside Workers and Pressroom Collective Agreements: July 1, 2021 to June 30, 2023

Re: Memo on Sick Leave Article 32 (Inside Workers) and Article 32 Press

To clarify the sick leave provisions contained in Article 32 (f) of the Inside Workers agreement and Article 32.01 paragraph 4 of the press agreement which reads: “The Company shall not be responsible for payment of more than twenty-six (26) weeks in any fifty-two (52) week period for the same injury or illness.”, the parties agree to the following:

1. The aforementioned 52-week period for any given illness or injury commences on the first day that sick leave coverage became available to the employee under the collective agreement. Employees shall not receive more than 26 weeks of sick leave benefits for the same illness or injury within the 52-week period that begins the first day of the illness;
2. In the event an illness or injury is intermittent and does not last 26 consecutive weeks then the 52-week period begins from the onset of the illness and/or injury, but the Company is not liable to pay for sick leave benefits for that illness or injury for more than a total of 26 weeks, even if the last benefit was paid the day before the 52-week period ended;
3. The period of 26 weeks is based on the regular work week of 37.5 hours per week and five shifts of seven and one half (7.5) hours and is consistent with Article 38 of the collective agreements. Full-time employees who are eligible for partial sick leave benefit coverage and may be working less than 37.5 hours per week shall continue to receive their regular weekly wage while collecting sick leave benefits, up to a maximum of 26 weeks. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

For new employees hired after June 30, 2013, the period of 26 weeks is based on the regular work week of 37.5 hours per week and five shifts of seven and one half (7.5) hours and is consistent with Article 38 of the collective agreements. Full-time employees who are eligible for partial sick leave benefit coverage and may be working less than 37.5 hours per week shall continue to receive their regular weekly wage in accordance with Article 32 (b) and/or Article 32 (c) as applicable to new hires. Thereafter the employee shall be paid commencing on the sixth (6th) working day and continuing for a period of twenty-five (25) weeks at eighty percent (80%) of the employee’s weekly wage. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

4. Part-time employees who are eligible for sick leave benefits under Article 32 (f) of the Inside Workers agreement and Article 32.01 paragraph 4 of the press agreement shall receive their regular weekly wage, based on the average weekly hours worked in the two months prior to the illness/injury, up to a maximum of 26 weeks. A part-time employee’s regular work week shall constitute a full week toward the 26-week limit, even if that part-time work week is fewer than five (5) days. A part-time employee shall not gain any greater benefit on sick leave than they would do if they had worked their regular work week. If any sick benefits are paid on a day, including a

day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

For new part-time employees hired after June 30, 2013 who are eligible for sick leave benefits under Article 32 (f) of the Inside Workers agreement and Article 32.01 paragraph 4 of the press agreement shall receive their regular weekly wage in accordance with Article 32 (b) and/or Article 32 (c) as applicable to new hires based on the average weekly hours worked in the two months prior to the illness/injury. Thereafter the employee shall be paid commencing on the sixth (6th) working day and continuing for a period of twenty-five (25) weeks at eighty percent (80%) of the employee's weekly wage. A part-time employee's regular work week shall constitute a full week toward the 26-week limit, even if that part-time work week is fewer than five (5) days. A part-time employee shall not gain any greater benefit on sick leave than they would do if they had worked their regular work week. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

5. There may be multiple 52-week periods for an employee who may have more than one illness. In this event, the Company may be liable for more than 26 weeks of sick leave in a 52-week period but not for more than 26-weeks in any 52-week period for any specific illness or injury;
6. The Company at no time is responsible to pay sick leave benefits for any particular illness or injury beyond 26 weeks in a 52-week period;
7. For all purposes of this agreement pressroom employees' eligibility for sick pay remains as per Article 32.01 paragraph 4 which reads as paid sick leave benefits for a period of 25 weeks and four days; and
8. Payment of any sick leave benefits are subject to the employee providing the Company with adequate and reasonable medical documentation as required in order to approve sick-leave benefits entitlement and/or administer the employer's sick leave benefits.

LOU G-5- MEMORANDUM OF AGREEMENT WAGE REDUCTION:

RE: Collective Agreement July 1, 2021 to June 30, 2023.

1. This proposal only applies to the Winnipeg Free Press Inside Workers (including Canstar) but does not affect the Agreement with the Brandon Sun or the Carriers.
2. Nothing in this agreement or the Collective Agreement prevents the parties from reconvening to formally discuss another agreement should there be dramatic changes in the business model.
3. Unpaid Leave: The Company will inform employees that unpaid leaves are available subject to production necessities.
4. The union shall appoint/elect a person of its choosing to sit as a representative on the board of FP.
5. The following portion shall not apply to any 100% commissioned sales person in Advertising (including Canstar Advertising) or any employee earning \$15 an hour or less. No employee subject to salary reduction shall be reduced below \$15 an hour. The Company agrees that these conditions shall apply to all non-bargaining unit employees and shall provide confirmation of same to the Union upon request. Tier 2 employees are people who were hired on the reduced grid scales in the existing contract.

For the purposes of the following section, free cash is defined as the amount the Company has left over after it has paid all its bills, including, but not limited to, debt servicing, pension obligations, capital spending and distributions for taxes and administration fees.

- If the company's free cash falls below \$676,000 for a rolling 12-month period, then affected employees, including part-time employees, will receive an 8% reduction in pay. Any staff earning less than \$40,000 per year will be subject to a 2% wage reduction. Any Tier 2 staff earning more than \$40,000 per year will be subject to a 4% wage reduction and the \$15 an hour clause in this agreement shall have no reduction. Wage reduction will take effect beginning on the first day of the following quarter. Once a wage reduction has occurred, there shall be no other reduction until an employee is returned to full wages.
 - This would be determined on a quarterly basis, with the first measurement taking place at the end of each financial quarter end (as per current practice)
 - If free cash is above \$676,000 for a rolling 12-month period then the employees shall return to full pay.
 - There will be no distributions other than to pay taxes and administration fees while salaries have been reduced from current levels.
6. The following portion applies to all bargaining unit employees:
 - No involuntary layoffs for the duration of the Agreement, except if the Winnipeg Free Press drops printing of a daily edition of the Free Press.
 - All other provisions of the CBA apply.

LOU G-6- MEMORANDUM OF AGREEMENT – CWIPP PENSION

All employees hired on July 1, 2013 until December 31, 2019 who have been enrolled in the Canada Wide Industrial Pension Plan (“CWIPP”).

Notwithstanding Article 35, the parties agree to explore the transfer of the CWIPP employees to CAAT under the same conditions of other employee so that all employees are in one pension plan. The approval of such a transfer is subject to a ratification vote of the employees in CWIPP.

The parties understand that if a transfer is approved that, as per pension law and regulations, each employee has an individual choice on what to do with the CWIPP pension earned to the date of a transfer. All pension contribution going forward will be in CAAT going forward to the former CWIPP members.

Subject to ratification by the employees in all of the Inside Workers Agreement and subject to the Company obtaining satisfactory financing sufficient for the purchase of new equipment deemed necessary by the Company, the parties agree as follows:

**UNIFOR
LOCAL 191**

Re: Voluntary Termination Program

1. This Agreement is applicable to employees covered by the Pressroom Collective Agreement and Creative Services Department employees and Mailroom employees covered by the Inside Workers Collective Agreement, excluding retirees employed by the Company, whose job function or classification is reduced or eliminated by the Company as a direct result of the implementation by the Company of a new press.
2. Should the Company determine that it is necessary to reduce the force, the Company may make application for the Voluntary Termination Program (the "VTP") available to full time and/or part time employees in the job function or classification in which a reduction or elimination has been determined necessary by the Company.
3. Should the Company make application for the VTP available in accordance with paragraph 2 above, full time and/or part time employees in the affected job function or classification may apply to participate in the VTP by submitting to the Human Resources Department, within the time period specified by the Company, a written application confirming the employee's request to participate in the VTP.
4. In the event that the number of employees in the affected job function or classification who apply to participate in the VTP is greater than the number of positions being eliminated by the Company, participation in the VTP shall be based on seniority, starting from the longest continuous employment, based on employees' most recent dates of hire, with the Company.
5. An employee who participates in the VTP shall terminate his/her employment with the Company effective the date established by the Company (the "Termination Date") and shall, upon termination on the Termination Date, receive a VTP lump sum payment based on the following, which payment is inclusive of any notice of termination or pay in lieu thereof to which the employee may be entitled under *The Employment Standards Code* (Manitoba) and any severance pay to which the employee may be entitled under the Collective Agreement:

- (a) **Group A**
Employees age 62 and over who are eligible for an unreduced pension shall be provided with a severance payment equal to two and one-half (2.5) weeks' earnings for each complete year of continuous service from the employee's most recent date of hire with the Company (subject to paragraphs 6 and 7 below), to a maximum of forty (40) weeks' earnings.

- (b) **Group B**
Employees younger than age 62 who are not eligible for an unreduced pension shall be provided with a severance payment equal to two and one-half (2.5) weeks' earnings for each complete year of continuous service from the employee's most recent date of hire with the Company (subject to paragraphs 6 and 7 below), to a maximum of seventy-eight (78) weeks' earnings. The minimum severance payment to full time employees under this Group B shall be twenty (20) weeks' earnings. This minimum shall not apply to part time employees under this Group B.

Earnings for the purposes of the above will be based on the employee's regular wage rate immediately prior to the Termination Date plus:

(a) the night differential if fifty percent (50%) of the employee's scheduled shifts in the twelve (12) month period immediately preceding the Termination Date started before 6 a.m. or after 1 p.m.; and

(b) the man in charge premium if the employee was appointed man in charge for fifty percent (50%) of his/her scheduled shifts in the twelve (12) month period immediately preceding the Termination Date.

6. For the purpose of the VTP and paragraph 5 above, continuous service for part time employees shall be based on hours worked by the employee since his/her most recent date of hire with the Company, with 1,950 hours worked being equal to one (1) year of continuous service.

7. For the purpose of the VTP and paragraph 5 above, employees shall be credited with hours worked as a part time employee/substitute where such service was continuous with his/her becoming a full time employee, with 1,950 hours worked being equal to one (1) year of continuous service.

8. Should an employee who applies to participate or is required by the Company to participate in the VTP subsequently resign from his/her employment with the Company prior to the Termination Date or should his/her employment with the Company be terminated for just cause prior to the Termination Date, the employee shall not be eligible for or entitled to participate in the VTP or to receive the payment referred to in paragraph 5 above.

9. The seniority of an employee who participates in the VTP shall cease and any recall rights of the employees shall expire effective the Termination Date.

10. Should the number of employees who apply and are approved by the Company to participate in the VTP be less than the number of positions being eliminated by the Company, remaining employees in the affected job function or classification shall be required to participate in the VTP in reverse order of seniority

(beginning with part time employees/substitutes), starting from the shortest continuous employment, based on employees' most recent dates of hire, with the Company.

11. This Agreement shall not form part of the Collective Agreement, but shall nonetheless be subject to the grievance procedure and arbitration provisions of the Collective Agreement, and shall expire six (6) months following the installation of a new press and decommissioning of the existing presses.

NON-DISCRIMINATION/NON-SEXUAL
HARASSMENT POLICY**

POLICY

Employees have the right to expect an environment free from discrimination and harassment. It is expected that the behaviour of employees in the workplace will meet generally acceptable social standards. Employees, in their relations with each other persons in the workplace, are to treat each other with respect and dignity. Employees shall not engage in sexual harassment or any other form of personal harassment.

Winnipeg Free Press is committed to treating all employees fairly and to maintaining a work environment that supports the dignity and self-respect of all employees. This means that discriminatory practice based on race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age marital status, family status or handicap will not be tolerated. Sexual harassment will also not be tolerated.

The Canadian Human Rights Commission considers harassment to include but is not limited to:

- Unwelcome remarks, jokes, innuendo or taunting about a person's body, attire, age, marital status, ethnic or religious origins.
- Displaying offensive or derogatory pictures.
- Practical jokes which cause awkwardness or embarrassment.
- Unwelcome invitations or requests.
- Leering or other gestures.
- Condescension or paternalism which undermines self-respect.
- Any unwelcome physical, visual or verbal conduct.

Winnipeg Free Press accepts this definition and will be guided by it in dealing with allegations of harassment of discrimination. Sexual harassment will be considered to have taken place if a reasonable person ought to have known that such behaviour was unwelcome, or when such behaviour poisons the work environment.

The Workplace Safety & Health Act/Regulations Part 10 "Harassment" requirements:

10.2(1) The harassment prevention policy must include the following statements:

- (a) every worker is entitled to work free of harassment;
- (b) the employer must ensure, so far as is reasonable practical, that no worker is subjected to harassment in the workplace;
- (c) the employer will take corrective action respecting any person under the employer's direction who subjects a worker to harassment;
- (d) the employer will not disclose the name of the complainant or an alleged harasser or the circumstances related to the complaint to any person except where disclosure is
 - (i) necessary to investigate the complaint of take corrective action with respect to the complaint , or

- (ii) required by law;
- (e) a worker has the right to file a complaint with the Manitoba Human Rights Commission;
- (f) the employer's harassment prevention policy is not intended to discourage or prevent the complainant from exercising any other legal rights pursuant to any other law.

Any employee whose actions are inconsistent with our policy of non-discrimination/non-harassment will be subject to discipline, up to and including termination of employment, depending on the seriousness of the situation.

When allegations prove frivolous, or completely without foundation, or are made with malicious intent, the complainant will also be subject to disciplinary action up to and including termination of employment.

PROCEDURE

WHAT YOU SHOULD DO IF YOU ARE THE VICTIM:

Employees who believe they are being harassed and/or discriminated of another employee should take the following steps.

1. Tell the individual very clearly that his/her behaviour is offensive and tell him/her *to stop*. This can be done by speaking to the person or in writing. If possible, get another person to witness this action. Let co-workers know the behaviour is unwelcome. Peer pressure can be an effective deterrent and your colleagues can provide you with support.
2. Inform your Supervisor or Department Head or the Human Resources Department of the nature and circumstances of the harassment. If however, you are fearful of reprisals or have been threatened, you should not confront the harasser first but take your concerns directly to your supervisor.
3. If your superior is harassing you or for any reason you feel uncomfortable discussing the problem with your Department Head, you should contact either/or
 - your Publisher
 - your Director of Human Resources
4. (a) With the knowledge of the complainant, the Supervisor and/or the Human Resources Department will conduct an investigation surrounding the allegation(s).

(b) In addition to the above, employees who have provisions in their collective agreement may refer their complaint accordingly. The name of the complainant or the circumstances of the complaint will not be disclosed to any person except where disclosure is necessary for the purpose of investigation of the complaint.
5. Keep written notes about what happened when the harassment occurred and what was done about it. Dates, times, witnesses would be helpful.
6. As allegations of harassment have the potential to be damaging to the personal reputations of the parties involved, every effort will be made to ensure confidentiality of the parties and any witnesses. However, any accused has the right to know and address allegations made to his/her detriment.

Following the investigation, the Director of Human Resources or designate and the Publisher will review the matter and relevant facts, giving consideration to the merits of the case, company policy, the law and any other factors which may be pertinent to the complaint. They will render a decision in writing within ten working days of

the date of the complaint was filed to management, unless circumstances require a longer period of time. At the conclusion of the investigation, all relevant persons involved in the investigation will be informed of the outcome.

No documentation of unsubstantiated claims will be maintained in individual personnel files.

IF YOU KNOW OF OR WITNESS HARASSMENT OF ANOTHER EMPLOYEE:

- offer support to the victim
- offer to be a witness on their behalf
- if appropriate, approach the harasser and let him/her know behaviour is inappropriate
- if the harassment continues, discuss your observations with the harasser's superior

IF YOU ARE A SUPERVISOR:

You are legally responsible for creating and maintaining a working environment that is free from harassment. That means being sensitive to the climate in your work group and addressing potential problems before they become serious.

If you are aware of, or ought reasonably to have been aware of, harassment in your department, you are responsible and must act to stop it. Also, if harassment is going on and you **DO NOT ACT TO STOP IT**, risk being disciplined. In addition, you may be named as a co-respondent in the event the complaint is filed with the Human Rights Commission and subject to any fine determined by the Commission.

If you receive a complaint, immediately inform your department Head/Publisher and the Director of Human Resources. You will be expected to assist in and document a thorough and confidential investigation.

CLIENTS AND HARASSMENT:

There may be occasion where a sales staff member or other employee feels that he/she is being subjected to behaviour from a client that falls under the definition of harassment.

Although we cannot deal with a client in quite the same manner as a fellow employee, any harassment of a staff member by a client must be addressed by the Publisher/Department Head.

If you feel you are being harassed by a client, follow these steps:

1. Advise the client that his/her behaviour is inappropriate and unwelcome.
2. If you feel you need assistance with the problem and cannot deal with the client on your own, advise your Publisher and Department Head in writing, with a copy to Human Resources.
3. If the harassment continues, report this immediately to your Publisher/Department Head.

Your Publisher/Department Head will investigate your complaint and take appropriate action.

Effective Date: July 1, 2021

PROTOCOL to the WINNIPEG FREE PRESS HARASSMENT POLICY

Preamble

An employee may at any time approach his/her supervisor or management to raise a concern which might be better addressed outside the Harassment Policy. Management agrees to review any such concerns and to respond in a timely way.

Threshold for harassment in a supervisory context

1. Supervisors and employees under their supervision will treat each other with respect and dignity.
2. As part of their duties, supervisors are required to correct employee behavior, coach employees on job performance, impose discipline and engage in other job-related interaction with employees. These supervisory functions do not, in and of themselves, constitute harassment, even where the affected employee may feel slighted by criticism of his/her job performance.
3. Supervisors may not, in carrying out the above functions, engage in conduct or make comments which violate the provisions of the Manitoba *Human Rights Code*. This will be considered harassment under the Policy. Moreover, supervisors may not demean or abuse an employee in personal terms while carrying out the above functions. If repeated, this will also be considered harassment under the Policy.

Investigation following a complaint of harassment

4. The Company will commence the process of investigation as soon as possible after receiving a complaint of harassment, and in any event not later than five (5) working days after receipt.
5. All required interviews will take place as soon as reasonably possible considering the nature and scope of the investigation. The timing and location of interviews will be arranged so as to maximize the preservation of confidentiality.
6. The complainant will be kept reasonably informed of progress as the investigation proceeds.
7. Time limits may be extended by agreement of the complainant or where urgent circumstances warrant.

Response to the complaint

8. Within five (5) working days of completing the investigation, the Company will communicate a written response to the complainant and the respondent(s). A response will include a statement of the allegations, a summary of the investigation undertaken and the Company's conclusion. Upon the complainant's request, an in-person meeting will be held between the complainant and the investigator to review the response.

Complaints which fail to meet the threshold

9. If the Company determines at any time that, in its opinion, the complaint does not reach the threshold for harassment under the Policy, it will so advise the complainant and the respondent(s). The complainant will then have two options.

10. First, the complainant may request that notwithstanding the Company's opinion, the full investigation be completed. In such case, the Company will advise the complainant of the potential adverse consequences which may result from an allegation which is frivolous, completely without foundation, or made with malicious intent, in accordance with the Policy. The Company will then complete a full investigation.

11. Second, the complainant may terminate the complaint, in which case no further action shall be taken under the Policy. If a condition exists which requires the attention of the Company, the investigation may continue outside the ambit of the Policy, at the Company's discretion.

MAIL ROOM

1. Seniority

Seniority for the purposes of layoff is based upon the full-time employee's continuous length of service with the Company. Seniority for the purpose of selecting shifts, vacation and other leaves of absence or time off is based upon the full-time employee's continuous length of service from the date when he/she was hired as a full-time employee, including apprentice, in the Mailroom.

Employment shall be deemed continuous unless interrupted by:

1. dismissal for just and sufficient cause; or
2. dismissal to reduce the force; or
3. resignation; or
4. retirement.

Senior employees shall have first choice of vacation, and shifts and days off, subject to production necessities as determined by the Company.

An employee whose employment is terminated, except in the case of layoff, and is subsequently rehired shall commence service and seniority at the date of rehire.

2. Person-in-Charge

A person-in-charge who is a member of the crew will be appointed by the Foreman for any shift of three (3) or more employees which does not include the Foreman or Assistant Foreman. The person-in-charge shall receive an additional payment to cover the shift, calculated at 120% of the straight-time journeyman hourly rate.

3. Training

(a) The Company agrees to provide opportunities that do not restrict production for employees to broaden their skills through training on jobs other than those normally assigned, where job openings are clearly determinable. Employees shall possess the basic skills required for the opportunity being provided.

(b) In the event of any new equipment being implemented in the Mail Room, all mailers will be given the opportunity to be fully trained in the operation and maintenance of said equipment.

4. Apprentices

(a) The proportion of apprentices to journeymen in a shift may be one to every four journeymen or major portion thereof.

(b) All apprentices shall be given every reasonable opportunity to acquaint themselves with every phase of mail room operation.

(c) The minimum scale for apprentices shall not be less than that provided for by civil law. Otherwise, such scale shall be in proportion to the Journeyman's scale for day and night work as follows:

	1st 6 months	2nd 6 months
First year	50%	55%
Second year	60%	65%
Third year	75%	80%
Fourth year	85%	90%

5. Days Off

(a) The days off sheet, which shall set out the work schedule, shall be posted during the week commencing two (2) weeks prior to the commencement of the work schedule. Mailers on vacation at the time of the posting shall notify their chapel chairperson of their choice of days off for that time period.

(b) Except for emergencies, when the usual hour for starting work is to be altered, not less than 48 hours minimum notice shall be given by the Foreman to the chapel chairperson. The forty-eight (48) hours notice period shall not include days off.

6. Job Rotation

The foreman will endeavour to rotate mailers from work station to work station at approximately two-hour intervals during the shift.

7. Part-Time and Temporary Employees

(a) Employee benefits will be in accordance with applicable Manitoba legislation for employees who work less than 950 hours a year.

(b) A part-time employee is one who is hired to work regularly less than thirty-seven and one-half (37.5) hours per week.

It is agreed that from time to time part-time employees may work thirty-seven and one-half (37.5) hours or more in a week and that this shall not result in a part-time employee being deemed to be a full-time employee.

(c) A temporary employee is one employed for a special project or for a specified time, in either case not to exceed three (3) months except by mutual agreement.

(d) The Company will retain an adequate number of substitutes to allow employees to take time off during summer months or to coincide with their spouses' holiday period or for special circumstances.

(e) An employee shall be paid a minimum of four hours when called in to work.

(f) For all purposes, part-time employees shall accumulate seniority on the basis of hours worked (1,950 = one year). Senior part-time employees shall have first choice of shifts. All new openings for apprentices shall be filled from anywhere on the current part-time mailroom list

(g) Employees who have worked a minimum of 950 hours in the preceding calendar year will be:

1. Provided with life insurance in an amount equal to that provided in the Free Press group insurance plan.
2. Granted bereavement leave in accordance with Article 33 for those days the employee is scheduled to work.

3. Accumulate sick leave on the basis of one (1) shift per quarter commencing October 1st, 1991, to a maximum of four (4) shifts. Payment shall be calculated on the basis of the average straight time worked on the day of illness.
4. The dental and extended health plan.

However, once an employee has achieved 5,000 hours, the employee must work at least 800 hours in the current calendar year to retain the above benefits for the following calendar year.

(h) Part-time employees' functions will include the movement of insert material and print rolls, the loading, operating and cleaning of insert hoppers, application of the top sheet and general area cleaning. The Union recognizes that changes in the functions performed by part-time employees may be necessary for the requirements and efficiency of operations, except that part-time employees' functions will not include Mailer or Insert Controller functions. One part-time employee will be utilized for each operating hopper except for any inserter equipment installed after June 30, 2013 at which time part-time employees may work up to two (2) consecutive hopper loaders or two consecutive feeders with a combined page count of up to 6 pages.

For emergencies or extenuating circumstances, the Company will be allowed to utilize one employee to operate more than two (2) hoppers subject to normal operating standards for the equipment and the Workplace Health and Safety Act and Regulations.

The use of this clause shall not result in the layoff or reduction of hours for full-time Mailers for the duration of this contract, except for normal attrition and reduction in business circumstances that may result in layoffs.

(i) When a part-time employee is absent from work due to industrial accident covered by Workers Compensation, maternity leave or parental leave granted in accordance with Article 31 of this Agreement, sick leave granted in accordance with Mail Room Article 7(g) of this Agreement or Union business, the employee's average hours worked in the six (6) months immediately prior to such leave shall be credited to his/her seniority for the following year. If an employee is absent for more than one (1) consecutive month, the employee's average hours worked will be adjusted.

(j) The current practice of allowing part-time employees to book shifts with less than the required nine (9) hour turnaround period shall continue, without invoking the provisions of Article 41.

(k) The Company agrees that subject to the requirements and efficiency of operations, the part-time work schedule will be entered into the phone message system as soon as practicable between 3:00 p.m. and 4:30 p.m.

(l) The Company shall continue to post availability sheets in the Mailroom and part-time employees shall continue to indicate their availability on the sheets. Except for time off due to vacation, illness or approved leave of absence or unless otherwise authorized by the Company, each part-time employee shall make himself or herself available to work a minimum of one (1) shift on two (2) different days each week, as follows:

Group A - Employees 1 to 25 in seniority ranking

Unless otherwise authorized by the Company, Group A employees shall make themselves available for a minimum of one (1) shift on two (2) different days each week.

Group B - Employees 26 to 50 in seniority ranking

Unless otherwise authorized by the Company, Group B employees shall make themselves available for a minimum of one (1) shift on two (2) different days each week, one (1) of which shifts shall be on Saturday daily or Saturday afternoon.

Group C - Employees 51 and below in seniority ranking

Unless otherwise authorized by the Company, Group C employees shall make themselves available for a minimum of one (1) shift on two (2) different days each week, one (1) of which shifts shall be on Saturday daily or Saturday afternoon and one (1) of which shifts shall be on Sunday daily.

Unless otherwise authorized by the Company, Group C employees hired after May 15, 2005 shall make themselves available for a minimum of three (3) different shifts each week, one (1) of which shifts shall be on Saturday daily, one (1) of which shifts shall be on Saturday afternoon and one (1) of which shifts shall be on Sunday daily.

The effective date for the amendment to Article 7 (l) is the installation of the new inserting equipment in the mailroom as follows:

Group A - Employees 1 to 25 in seniority ranking

Unless otherwise authorized by the Company, Group A employees shall make themselves available for a minimum of one (1) shift on two (2) different days each week.

Group B - Employees 26 and below in seniority ranking

Unless otherwise authorized by the Company, Group B employees shall make themselves available for a minimum of one (1) shift on two (2) different days each week, one (1) of which shifts shall be on Saturday daily or Saturday afternoon and one (1) of which shifts shall be on Sunday daily.

Unless otherwise authorized by the Company, Group B employees hired after June 30, 2013 shall make themselves available for a minimum of three (3) different shifts each week, one (1) of which shifts shall be on Saturday daily, one (1) of which shifts shall be on Saturday afternoon and one (1) of which shifts shall be on Sunday daily.

(m) Subject to (o), shifts shall continue to be assigned on the basis of seniority and indicated availability and when the Company requires part-time employees to work double shifts, these shifts shall also continue to be assigned on the basis of seniority and indicated availability.

(n) Subject to (o), a junior part-time employee shall not work more hours than a senior part-time employee on the same shift, unless the senior employee declined hours of work for that day. The Company shall make reasonable efforts to maximize the length of shifts worked by senior part-time employees.

(o) When the senior available part-time employee has worked thirty-three (33) hours in the week, the shift or double shift shall continue to be assigned to the next senior available part-time employee who has not worked thirty-three (33) hours that week. When all available part-time employees have worked thirty-three (33) hours that week, the assignment of the shift or double shift shall continue to be based solely on seniority and indicated availability. Except as specifically set forth in this (o), part-time employees shall not be assigned a shift where it would result in overtime or any other additional costs to the Company.

(p) To ensure proper, safe operation of the new inserting equipment, the Company and the Union shall establish a joint committee to review operating guidelines and part-time staffing. The guidelines developed by the committee shall be used to determine operational and staffing requirements of the new equipment. The committee shall consist of six (6) people; three (3) management appointees and three (3) Union appointees, at least one of which is a mailroom employee. This committee shall meet as often as required but no less than once per quarter.

8. **Mailer Functions**

Full-time employees' functions will include bi-liner operator, sorting of top sheets, monitoring of shrink wrap, operation of the bar code console, operation of the distribution console, stitcher operator, operation of print roll wind up stations, basic maintenance, operation of all mailroom computers, operation of the fork lift, quarter folder, label applicator and any part-time function. The Union recognizes that changes in the functions performed by full-time employees may be necessary for the requirements and efficiency of operations.

Mailers shall, subject to the requirements and efficiency of operations, only be scheduled to one workstation or function during any given period in a shift.

When a Mailer is assigned inserting duties on new equipment it shall be as in 7 (h).

9. **Insert Controllers**

(a) The Company shall select all Insert Controllers from the part-time Mail Room employee list.

(b) The Company shall employ no more than seven (7) Insert Controllers, except that the Company may employ more than seven (7) Insert Controllers, by mutual agreement, when business and production increases warrant it.

(c) In the selection of individuals for new openings for apprentices, employees hired into the Insert Controller classification shall not be deemed to have preference over other employees in the Mail Room simply by virtue of being in the Insert Controller classification. New openings for apprentices shall be filled from anywhere in the Mail Room.

(d) This Article shall not affect or diminish the hours or shifts of any current full-time Mailers. Insert Controllers shall not perform the journeyman duties of a full-time Mailer.

(e) For greater clarity, the functions of the Insert Controller classification will include those functions described in the Letter of Understanding - M3 re: Insert Controllers attached to this Agreement.

(f) An Insert Controller who is laid off will be placed on the part-time Mail Room employees list on the basis of the seniority number he/she had as a part-time employee before becoming an Insert Controller.

Collective Agreement: July 1, 2021 to June 30, 2023

Re: Advertising Department Outside Display Representatives Commission Plan

The following provisions shall apply to all Outside Display Sales Representatives, Commercial Print Sales Representatives and Preprint Sales Representatives:

- (a) There shall be no cap on any commission payouts.
- (b) A list of controllable accounts and uncontrollable accounts will be established for each sales rep by mutual agreement with management.
- (c) The Company will institute a rotating distribution of new business call-ins based on seniority. The Company shall appoint an employee to distribute each new business call-in received via phone, email and fax on the basis of seniority, such that the first new business call-in will be assigned to the most senior sales rep, the second new business call-in will be assigned to the second most senior sales rep and so forth, except that in the event that the sales rep to whom the new business call-in would be assigned is on a leave of absence of more than 24 hours, the new business call-in will be assigned to the next most senior sales rep.
- (d) The Company will institute a separate account draft for local inactive accounts and a separate account draft for each of the automotive and new housing markets. An inactive account is an account that has not advertised with the Company for eighteen (18) months. Each draft will be held every six (6) months.

The drafts shall be administered on the basis of seniority, with the most senior sales rep selecting two (2) accounts, followed by the next most senior sales rep selecting two (2) accounts and so forth until all accounts are either selected or the sales reps do not wish to select any of the remaining accounts. The most senior sales rep who was not provided the opportunity to select an account will have the first opportunity in the next draft, unless he/she had been absent from the previous draw selection meeting. Where a sales rep is absent from the draw selection meeting, the opportunity to select an account will pass to the next most senior sales rep.

Sales reps will be entitled to protect ten (10) prospective accounts for a period of ninety (90) days, which ninety (90) day period may be extended by a further ninety (90) days at the discretion of the Company, and five (5) seasonal accounts for a period of one (1) year, provided that the sales rep is actively working the prospective account or seasonal account and making progress on such account.

None of the above precludes a sales rep from trading an account or accounts with another sales rep by mutual agreement and with the consent of the Company, except that an automotive account may be traded only with another automotive account and a housing account may be traded only with another housing account, nor does it preclude the Company from reassigning accounts in the event that a client requests a sales rep change.

- (e) Errors will not be charged against advertising revenue where such errors are not the responsibility of the sales rep.
- (f) Windfalls or new business accounts will not result in a budget adjustment within the current year.

- (g) Credit status reports and revenue reports will be supplied to sales reps on a weekly basis.
- (h) The Company will provide each sales rep with a copy of current credit procedures. No charge backs against commission will take place for either display or classified revenue commissions if such procedures are followed. In the event credit procedures are not followed, the sales rep will be charged back his/her commission unless the Company has expressly waived the credit procedure for a particular client or advertisement. Before such charge back occurs, the Company will inform the sales rep and the sales rep will have the opportunity to discuss the issue with his/her Director of Sales.
- (i) Annual budget targets will be based on the previous year's revenue for a given month, adjusted for day of exchange of any Friday or Saturday changes, plus five percent (5%) growth for the current year.
- (j) The Company shall pay the controllable commission on any Classified Advertising revenue generated by an Outside Display Sales Representative. Sales reps will be paid a commission rate of three percent (3%) for each commercial print sale where the printing is contracted out and 5% commission if the commercial work is done on our own presses. This revenue will be included in the following year's target. Sales reps will have the option of choosing to include insert revenue in their monthly sales.
- (k) Divisions or changes to a sales rep's account list shall not be made by the Company arbitrarily. Any proposed changes would be discussed at a joint meeting of the sales rep and management. Any changes made, if negatively affecting that sales rep's revenue, would have that revenue removed from their target so as not to hinder commission payout or further potential. Where a sales rep's account list is altered by the Company, the rep shall have the option of changing commission plans immediately.
- (l) The Company will continue to reimburse sales reps for expenses upon submission of expense reports in the prescribed form and properly supported by receipts. Telephone expenses will be reimbursed up to a maximum of \$85.00 per month. The Company shall activate only the data portion of the Blackberry device and will incur the full costs associated with the use of the Blackberry. The use of the Blackberry is limited to business purposes only. The Blackberry device remains the property of the Company.
- (m) In the event that an existing significant account is lost due to closure or receivership of a business, or due to a credit hold, sales reps will only be expected to acquire new business to substitute such loss, on the following basis:
 - i. Where the account list previously generated up to \$1,000,000 annually, the sales rep would be responsible for \$5,000 new business.
 - ii. Where the account list previously generated \$1,000,000 to \$1,500,000 annually, the sales rep would be responsible for \$10,000 new business
 - iii. Where the account list previously generated over \$1,500,000 annually, the sales rep would be responsible for \$15,000 new business.
- (n) The Company shall maintain support personnel at a level to provide support in all teams at all times, including vacation and illness. Vacation schedules will be built to ensure there are not multiple absences within each group, so sales reps will be able to schedule appropriate time to their accounts.
- (o) All sales reps will have the option of changing commission plans every January 1. Sales reps will have the option of choosing between plans A or B.
- (p) Commission payouts will be reconciled and paid monthly. The draw for Plan B will be equivalent to the Outside Display Sales bi-weekly wage rate.

- (q) Sales reps will have the option of claiming total revenue on processing contra ads; however, a sales rep will be paid commission on contra only if the contra entered into reduces the client's normal average spending, based on the previous calendar year, and the revenue is included in the following year's target. The following are the types of contra for which sales reps may be paid a commission:
- i) Contra: useable goods or services with a cash value provided in exchange for advertising space; and
 - ii) In-Kind: space in the newspaper that the Company provides to a third party in exchange for sponsorship.
- (r) The sick leave benefits under Article 32 will be applicable to Plan B sales reps commencing from the eighth consecutive working day missed by the sales rep due to illness or accident and continuing for a maximum period of twenty-six (26) weeks at the Outside Display Sales wage rate. Upon the sales rep's return to work commission will commence from their first day of work.
- (s) i) Advertising Sales Representatives in the Advertising Department on the 100% Commission Plan and the 50% Commission Plan ("Sales Representatives") will be provided vacation pay in the following manner:
- (a) during the calendar year, Sales Representatives will receive their regular commission earnings;
 - (b) vacation pay will be based on the greater of: (i) the commissions that became payable to the Sales Representative/Account Executive on his/her vacation days in that calendar year based upon the daily average of the commissions earned during the week(s) in which the vacation day(s) is (are) taken and (ii) two percent (2%) of the commissions earned by the Sales Representative/Account Executive in the preceding calendar year for each week of vacation to which the Sales Representative/Account Executive is entitled in that calendar year;
 - (c) at the end of each calendar year, the Company will calculate the total amount of commissions that became payable to each Sales Representative/Account Executive on his/her vacation days based upon the daily average of the commissions earned during the week(s) in which the vacation day(s) is (are) taken. In the event that this amount is less than two percent (2%) of the commissions earned by the Sales Representative/Account Executive in the preceding calendar year for each week of vacation to which the Sales Representative/Account Executive is entitled in that calendar year, the difference will be paid to the Sales Representative/Account Executive no later than the first pay period in February;
 - (d) For the purposes of the above calculations a Vacation Week begins on a Monday and ends on a Sunday.
- ii) Sales Representatives will be provided general holiday pay in the following manner:
- (a) in respect of a General Holiday referenced in Article 36 of the Collective Agreement on which the paper is not published, the Sales Representative will be paid General Holiday pay in an amount equal to the commissions earned by the Sales Representative in the preceding calendar year divided by the total of the number of working days in that preceding calendar year less the number of non-publishing General Holidays that would otherwise be working days for the Sales Representative during that preceding calendar year. Such payment will be made in the pay period in which the General Holiday occurs, except that the payment in relation to New Year's Day will be made at the same time as the final commission payment in relation to the preceding calendar year;

(b) in respect of a General Holiday or a day taken in lieu of a General Holiday referenced in Article 36 of the Collective Agreement on which the paper is published, the Sales Representative will be paid General Holiday pay in an amount equal to the greater of: (i) commissions payable on the day of the General Holiday; and (ii) commissions earned by the Sales Representative in the preceding calendar year divided by the total of the number of working days in that preceding calendar year less the number of non-publishing General Holidays that would otherwise be working days for the Sales Representative during that preceding calendar year;

PLAN A:

Base salary in accordance with Collective Agreement, Outside Display Sales, except that base salary for Preprint Sales Representatives will be in accordance with Collective Agreement, Preprint Sales.

Commission to be paid as follows:

When a sales rep reaches one hundred percent (100%) of their target, the Company shall pay one thousand dollars (\$1,000) to the sales rep. Definitions of Account Categories

The following are definitions of the main categories of advertising clients for purposes of the determination of sales jurisdiction. In general, accounts are categorized based on their decision-making locale and process, the category of product or service, the structure of their rate agreements, the geographic distribution of sales and the degree by which newspaper management must be involved in the sales process.

The purpose of this letter is to clarify long-standing practices accepted by both parties and is not intended to remove or enhance any rights of either party under the Collective Agreement.

Management retains the discretion to assign and pay outside Sales Representatives on defined national business if it is deemed beneficial to the overall revenue growth of the Company. The Company will not remove or change any current Sales Representatives lists that encompass national business.

NATIONAL ACCOUNTS;

A National account is defined as any advertising client where the planning, negotiation of rates and billing address are outside of the Province of Manitoba. Legals, Tenders and casual Career advertising (not on a Sales Representatives account list) will fall under the National definition including as well as government-funded Aboriginal agencies, Provincial Municipalities, Towns, Hospitals and School Divisions (outside of the City of Winnipeg).

LOCAL RETAIL ACCOUNTS;

These accounts have retail store fronts, offices that are located within the boundaries of Manitoba where the advertising decisions (planning, negotiation of rates and final approval) are made within the Province of Manitoba with the exclusions of accounts within the Province of Manitoba as defined under National Accounts. Calls from clients that normally reside outside the Province will be turned over to the Employer immediately. The Employer will assign local leads to a local account executive as per the call in procedure in LOU-A1.

CONTROLLABLE COMMISSION;

Controllable commissions are paid on business as defined under Local Retail Accounts.

NON-CONTROLLABLE COMMISSION;

A Non-Controllable commission is paid on any business that exists on an Outside Display Sales Representatives

current list that aligns with the National Account definition. If any National defined business is assigned to a Sales Representatives list it will fall under the Non-Controllable commission definition.

The Company shall annually review the National accounts list and accounts serviced by Sales coordinators and if any fall outside the definition of National Accounts as defined herein shall be added to the next available account draft as per the procedure in LOU-A1.

Re: District Checkers and Shippers and Truck Drivers

1. This letter replaces previous versions of this letter which offered certain protections to employees working in the truck driver classification as a result of arbitration hearing decisions concerning truck drivers, shippers and district checkers. The Company shall no longer utilize the job classification of district checkers. The purpose of the letter is to maximize the hours of employees who were impacted by contracting out of truck driver work and carry out the decision of the arbitration hearings. The employees covered by this letter are James Wade, Ken Welch, Brent Beckman and Roland Lamontagne.
2. The functions of the district checkers will be the distribution of papers to carriers at the depot and employees working in the higher job classifications may perform the duties of the district checkers.
3. James Wade, Brent Beckman, Ken Welch and Roland Lamontagne shall be given an opportunity to maximize their hours of work to 30 hours weekly until such time as they may become full-time employees. If extra hours are available beyond the 30 hours then those hours shall be offered to the employees in order of seniority.
4. Lamontagne and Beckman shall choose from the Shipping/Winnipeg Free Press Depot duties from the part-time schedules and are both classified as Shippers (part time) and shall be paid the appropriate truck driver rate for all hours worked. The Company may schedule said employees as needed to tasks other than those he picked including Head Shipper work.
5. The Company shall pay James Wade the truck driver rate for all hours of work. Further, any assignment of work is provided without prejudice to the parties understanding of or position on the function and responsibilities normally assigned to and performed by truck drivers. Nothing contained herein, either express or implied, shall have the effect of altering the current functions and responsibilities normally assigned to truck drivers. The Union on its own behalf and on behalf of the above noted individual accept all assignments of work as proper and hereby waive any right they may have to grieve said assignment.

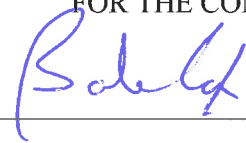

6. This LOU in no way prejudices management's rights as contained in Article 6 of the collective agreement.
7. The Company agrees to give first consideration to James Wade, Brent Beckman, Roland Lamontagne and Ken Welch for any full-time vacancies which may arise within the shipping department.

1. Account Executives

Notwithstanding Article 6.1 of this Agreement, Account Executives shall not be entitled to overtime, except that if an Account Executive is required and pre-approved by the Company to attend special meetings or to work evenings or weekends where such attendance or work does not directly increase the Account Executive's ability to earn commission, Article 6.1 of this Agreement shall apply to such attendance or work where it results in the Account Executive working in excess of seven and one-half (7.5) hours in any one (1) day, or thirty-seven and one-half (37.5) hours worked in any one (1) week. However, an Account Executive may choose to attend special meetings or to work evenings or weekends where such attendance or work does not directly increase the Account Executive's ability to earn commission, in which case Article 6.1 of this Agreement shall not apply.

- 1.2 The Company shall not treat any Account Executive in a discriminatory, arbitrary or bad faith manner regarding account dispersal, quota, sales training, workshops and the provision of sales assistance from managers.

Divisions or changes to an account executive's account list shall not be made by the Company arbitrarily. Any proposed changes would be discussed at a joint meeting of the account executive and management. Any changes made, if negatively affecting that account executive's revenue, would have that revenue removed from their target so as not to hinder commission payout or further potential.

The Company will institute a separate account draft for inactive accounts. An inactive account is an account that has not advertised with the Company for eighteen (18) months. Each draft will be held every six (6) months.

The drafts shall be administered on the basis of seniority, with the most senior account executive selecting two (2) accounts, followed by the next most senior account executive selecting two (2) accounts and so forth until all accounts are either selected or the account executive do not wish to select any of the remaining accounts. The most senior account executive who was not provided the opportunity to select an account will have the first opportunity in the next draft, unless he/she had been absent from the previous draw selection meeting. Where an account executive is absent from the draw selection meeting, the opportunity to select an account will pass to the next most senior account executive.

The Company will institute a rotating distribution of new business call-ins. The Company will appoint an employee to coordinate such call-ins, distributing the new accounts from walk-ins, phone calls, emails and fax on the basis of seniority. If any Account Executive is on a leave of absence, the call-in will go to the next senior Account Executive.

- 1.3 Should the Company deem an invoice for which commission has been paid to an Account Executive to be non-collectable, the amount of commission paid to the Account Executive in respect of that invoice shall be deducted from the commission payable to the Account Executive. If the invoice is subsequently paid by the customer, the Account Executive shall be paid commission on the amount that is collected by the Company.
- 1.4 Should an error in an advertisement occur, the Account Executive and the Company will attempt to remedy the situation with the customer by publishing a correct advertisement. Where the error is not as a result of an error made by the Account Executive and cannot be remedied, the Account Executive shall be paid commission in respect of the advertisement.

1.5 (a) Commissions shall be paid to Account Executives during the month following the publication to which they relate. There will be no cap on commissions.

(b) Account Executives shall be entitled to a draw against commissions as set out in Advertising Weekly Wages and Draws (paragraph 3 below).

(c) The Company shall pay Account Executives a commission of eight percent (8%) on Local ROP and Distribution sales and a commission of two and one-half percent (2.5%) on National ROP and Distribution sales.

(d) i) Advertising Sales Representatives in the Advertising Department on the 100% Commission Plan and the 50% Commission Plan (“Sales Representatives”) will be provided vacation pay in the following manner:

(a) during the calendar year, Sales Representatives will receive their regular commission earnings;

(b) vacation pay will be based on the greater of: (i) the commissions that became payable to the Sales Representative/Account Executive on his/her vacation days in that calendar year based upon the daily average of the commissions earned during the week(s) in which the vacation day(s) is (are) taken and (ii) two percent (2%) of the commissions earned by the Sales Representative/Account Executive in the preceding calendar year for each week of vacation to which the Sales Representative/Account Executive is entitled in that calendar year;

(c) at the end of each calendar year, the Company will calculate the total amount of commissions that became payable to each Sales Representative/Account Executive on his/her vacation days based upon the daily average of the commissions earned during the week(s) in which the vacation day(s) is (are) taken. In the event that this amount is less than two percent (2%) of the commissions earned by the Sales Representative/Account Executive in the preceding calendar year for each week of vacation to which the Sales Representative/Account Executive is entitled in that calendar year, the difference will be paid to the Sales Representative/Account Executive no later than the first pay period in February;

(d) For the purposes of the above calculations a Vacation Week begins on a Monday and ends on a Sunday.

ii) Sales Representatives will be provided general holiday pay in the following manner:

(a) in respect of a General Holiday referenced in Article 36 of the Collective Agreement on which the paper is not published, the Sales Representative will be paid General Holiday pay in an amount equal to the commissions earned by the Sales Representative in the preceding calendar year divided by the total of the number of working days in that preceding calendar year less the number of non-publishing General Holidays that would otherwise be working days for the Sales Representative during that preceding calendar year. Such payment will be made in the pay period in which the General Holiday occurs, except that the payment in relation to New Year’s Day will be made at the same time as the final commission payment in relation to the preceding calendar year;

(b) in respect of a General Holiday or a day taken in lieu of a General Holiday referenced in Article 36 of the Collective Agreement on which the paper is published, the Sales Representative will be paid General Holiday pay in an amount equal to the greater of: (i) commissions payable on the day of the General Holiday; and (ii) commissions earned by the Sales Representative in the preceding calendar year divided by the total of the number of working days in that preceding calendar year less

the number of non-publishing General Holidays that would otherwise be working days for the Sales Representative during that preceding calendar year;

(e) In the event that an Account Executive is required to handle an account due to a vacancy (other than a vacancy due to vacation) on a temporary basis, the territory handled by the Account Executive and the resulting commissions will be included in the Account Executive's quota.

(f) For the purpose of determining an Account Executive's daily rate, the Company shall calculate an amount equal to the commissions earned by the Account Executive in the preceding calendar year divided by the total of the number of working days in that preceding calendar year.

(g) The Company shall pay to an Account Executive a commission of eight percent (8%) on Local brokered work and a commission of two and one-half percent (2.5%) on National brokered work.

(h) The Company will maintain the current cellular phone allowance for Account Executives.

(i) Increases in annual budget targets for the Canstar Community News Department shall not exceed the department's overall budget increase in ROP and Inserts as established with the Board of Directors of FP Newspapers for each fiscal year, but in any event no more than fifteen (15) percent. The Company shall provide the Union with the budget increase no later than Dec. 31 of each year.

1.6 (a) A National Account is an account relating to a manufacturer, distributor or national chain store for which advertising decisions are predominantly made outside the province of Manitoba, except that all government advertising (federal, provincial and civil and including Crown corporations) will also be considered as a National Account.

(b) A Local Retail Account is an account relating to a retail outlet or office that is located in the province of Manitoba and for which advertising decisions are predominantly made in the province of Manitoba, including the local advertising by an outlet of a national chain.

(c) Commission will not be payable to Account Executives for contra, promo, prizing, in-kind and in-house accounts.

(i) Contra refers to useable goods or service with a cash value provided in exchange for advertising space.

(ii) Promo refers to a cash fee payable to the Company for being involved in a promotion or contest.

(iii) Prizing refers to goods or services provided by a third party to be given away as part of a contest.

(iv) In-kind refers to space in the newspaper provided to a third party in exchange for sponsorship.

(v) In-house refers to accounts that are not handled by Account Executives and are designated by the Company.

2. **Wages and Draw**

The wages for Account Executives are based solely on commission earned by the Account Executive. Account Executives will be paid on a bi-weekly basis, with the first payment constituting a draw and the second payment constituting a catch-up on commission on a rotating basis, except that in those months when the Account Executive receives three (3) payments, the first two (2) payments will constitute draws and the third payment of the month will constitute a catch-up on commission.

(a) Draw Payment

The Draw payment may be altered through mutual agreement between the Account Executive and the Company with respect to the monthly draw payment.

The draw payment will be \$1,250 under this article except as may be amended in this article.

Article 2 (c) shall continue to apply to account executives with less than one (1) year sales experience with the Company.

(b) Commission Catch-Up Payment

The second payment of the rotation will be the commission earned by the Account Executive in the prior month less the draw paid on the prior payment, adjusted for errors and credits, except that in those months when the Account Executive receives three (3) payments, the third payment of the month will be the commission earned by the Account Executive in the prior month less the draws paid on the two (2) prior payments, adjusted for errors and credits. Where the commission earned by the Account Executive in the prior month are less than the first payment of the month or, in a month where there are three (3) potential payments, less than the first and second payments of the month, then the amount paid to the employee in excess of the commission earned by him in the prior month will be deducted from the second payment made to the employee or, in a month where there are three (3) potential payments, the third payment made to the employee, which deduction(s) shall continue on a monthly basis until such time as the overpayment has been reduced to zero (\$0). An Account Executive's draw may be adjusted quarterly by mutual agreement between the Account Executive and the Company, except that the Company may adjust an Account Executive's draw, without the agreement of the Account Executive, after two (2) consecutive months where the commission earned by the Account Executive in the prior month are less than the first payment of the month or, in a month where there are three (3) potential payments, the first and second payments of the month.

(c) Account Executives with less than one (1) year of sales experience with the Company will be paid on a monthly basis the greater of \$2,500.00 or the commission earnings from the prior month.

One additional apprentice may be hired if the total of journeymen electricians and industrial mechanics is seven or more but in no case will the number of apprentices exceed one per trade.

ARTICLE 48 – PRESSROOM STAFFING

- 48.01 The Company will determine the number of employees necessary for the operation of the pressroom in a safe and efficient manner, provided that there shall be, provided the current production levels are maintained, not less than 37 pressmen (journeymen and apprentices) employed by the Company within the pressroom area, except that in the event that a new press is implemented by the Company, there shall be, provided the then current production levels are maintained, not less than twenty (20) journeymen employed by the Company within the pressroom area effective upon the implementation by the Company of a new press.

The employees shall perform any and all work pertaining to their respective work assignments, including the operation, maintenance, cleaning and upkeep of equipment and machines as assigned.

However, once the crew has moved to that press they will complete their shift there. The Company agrees to provide facilities and sufficient time without loss of regular weekly wages in order

that each member becomes proficient in the operation of any process or equipment to meet the intent of this agreement. The total days off for the week will be the same as for the number of regular men on the staff less the number of paid vacations. If the Publisher's actual requirement on any days of the week are such that a lesser number of men are on day off the Publisher shall pay the difference in premium shifts at the rate of time and one-half (1.5) for the regular hours of the shift, including the overtime period up to three (3) hours and double time thereafter. The shift schedule posted on Thursday of any week shall not be changed without agreement between the Union and the Publisher. Days off and shift starting times will be rotated as equitably as possible.

51.02 Crews shall be on duty one-half hour before the scheduled starting time of any regular run.

ARTICLE 52 - OVERTIME

52.01 All time worked before or in excess of the daily standard hours of work established by the Company in accordance with Article 38 or at the end of the standard work week must be paid for at the overtime rate, which shall be one and one-half (1.5) times the regular hourly rate, paid the individual employee for the first three (3) hours overtime and double time for the fourth and each additional hour of overtime worked thereafter. A man working two consecutive shifts on the same day (a double) will be paid the applicable overtime rates based on the night rate for the second shift. Re: Long Term Disability

In order to fulfill the intent of the parties with respect to Article 36 of the Collective Agreement effective July 1, 2013 to June 30, 2018 (the “Collective Agreement”), and to resolve all concerns surrounding the transfer of Long Term Disability Plan premium payments to eligible Union members and the transfer of an increased portion of Extended Health Plan and Dental Insurance Plan premium payments to the Company, the parties agree that the following terms are effective immediately and are in force for the duration of the Collective Agreement:

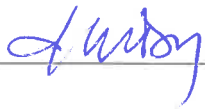

1. Employees who participate in the Extended Health Plan and/or the Dental Insurance Plan and work in departments which are eligible for long term disability (“LTD”) coverage will be included in a new separate plan referred to as the “Non Taxable LTD Plan” and those employees will be referred to as “Non Taxable LTD Employees”.
2. The Company will transfer premiums it formerly paid for LTD coverage for Non Taxable LTD Employees to the Extended Health Plan and the Dental Insurance Plan.
3. The Unions and Company agree that the desired effect of the transfers is to give Non Taxable LTD Employees non-taxable LTD coverage. While the transfers were done as fairly and equitably as possible, the Unions understand that a small minority of employees will incur slightly higher premium costs than what they paid prior to the premium transfers.
4. The premium transfers from the creation of the Non Taxable LTD Plan will create a cost-sharing of the combined Family and Single Extended Health Plan and Dental Insurance Plan premiums of seventy percent (70%) to the Company and thirty percent (30 %) to the employees.
5. The parties agree that the new reduced employee portion of premiums payable by single employees participating in the Non Taxable LTD Plan for Dental Insurance Plan and/or Extended Health Plan coverage is currently zero, but that going forward the Company will pass on to such employees any increased costs to the single premium rate in an equitable manner.
6. The Company commits to paying seventy percent (70%) of the total combined single and family premiums for Dental Insurance Plan and Extended Health Plan coverage on an ongoing basis for Non Taxable LTD Employees. The Union commits Non Taxable LTD Employees to paying one hundred percent (100%) of LTD premiums in the future.
7. The Company will continue to pay premiums for taxable LTD coverage to employees who work in departments which are eligible for LTD coverage and not enrolled in the Dental Insurance Plan or the Extended Health Plan.

8. Article 36 of the Collective Agreement remains in full force and effect for the duration of the Collective Agreement.

9. The parties may alter or amend these terms at any time by mutual consent in writing during the term of the Collective Agreement.

Inside Workers and Pressroom Collective Agreements: July 1, 2021 to June 30, 2023

Re: Memo on Sick Leave Article 32 (Inside Workers) and Article 32 Press

To clarify the sick leave provisions contained in Article 32 (f) of the Inside Workers agreement and Article 32.01 paragraph 4 of the press agreement which reads: “The Company shall not be responsible for payment of more than twenty-six (26) weeks in any fifty-two (52) week period for the same injury or illness.”, the parties agree to the following:

1. The aforementioned 52-week period for any given illness or injury commences on the first day that sick leave coverage became available to the employee under the collective agreement. Employees shall not receive more than 26 weeks of sick leave benefits for the same illness or injury within the 52-week period that begins the first day of the illness;
2. In the event an illness or injury is intermittent and does not last 26 consecutive weeks then the 52-week period begins from the onset of the illness and/or injury, but the Company is not liable to pay for sick leave benefits for that illness or injury for more than a total of 26 weeks, even if the last benefit was paid the day before the 52-week period ended;
3. The period of 26 weeks is based on the regular work week of 37.5 hours per week and five shifts of seven and one half (7.5) hours and is consistent with Article 38 of the collective agreements. Full-time employees who are eligible for partial sick leave benefit coverage and may be working less than 37.5 hours per week shall continue to receive their regular weekly wage while collecting sick leave benefits, up to a maximum of 26 weeks. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

For new employees hired after June 30, 2013, the period of 26 weeks is based on the regular work week of 37.5 hours per week and five shifts of seven and one half (7.5) hours and is consistent with Article 38 of the collective agreements. Full-time employees who are eligible for partial sick leave benefit coverage and may be working less than 37.5 hours per week shall continue to receive their regular weekly wage in accordance with Article 32 (b) and/or Article 32 (c) as applicable to new hires. Thereafter the employee shall be paid commencing on the sixth (6th) working day and continuing for a period of twenty-five (25) weeks at eighty percent (80%) of the employee’s weekly wage. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

4. Part-time employees who are eligible for sick leave benefits under Article 32 (f) of the Inside Workers agreement and Article 32.01 paragraph 4 of the press agreement shall receive their regular weekly wage, based on the average weekly hours worked in the two months prior to the illness/injury, up to a maximum of 26 weeks. A part-time employee’s regular work week shall constitute a full week toward the 26-week limit, even if that part-time work week is fewer than five (5) days. A part-time employee shall not gain any greater benefit on sick leave

than they would do if they had worked their regular work week. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

For new part-time employees hired after June 30, 2013 who are eligible for sick leave benefits under Article 32 (f) of the Inside Workers agreement and Article 32.01 paragraph 4 of the press agreement shall receive their regular weekly wage in accordance with Article 32 (b) and/or Article 32 (c) as applicable to new hires based on the average weekly hours worked in the two months prior to the illness/injury. Thereafter the employee shall be paid commencing on the sixth (6th) working day and continuing for a period of twenty-five (25) weeks at eighty percent (80%) of the employee's weekly wage. A part-time employee's regular work week shall constitute a full week toward the 26-week limit, even if that part-time work week is fewer than five (5) days. A part-time employee shall not gain any greater benefit on sick leave than they would do if they had worked their regular work week. If any sick benefits are paid on a day, including a day when an employee works a partial shift, those sick benefits constitute a day of benefits toward the 26-week limit;

5. There may be multiple 52-week periods for an employee who may have more than one illness. In this event, the Company may be liable for more than 26 weeks of sick leave in a 52-week period but not for more than 26-weeks in any 52-week period for any specific illness or injury;

6. The Company at no time is responsible to pay sick leave benefits for any particular illness or injury beyond 26 weeks in a 52-week period;

7. For all purposes of this agreement pressroom employees' eligibility for sick pay remains as per Article 32.01 paragraph 4 which reads as paid sick leave benefits for a period of 25 weeks and four days; and

8. Payment of any sick leave benefits are subject to the employee providing the Company with adequate and reasonable medical documentation as required in order to approve sick-leave benefits entitlement and/or administer the employer's sick leave benefits.
